

Dear CA Students,

The journey to becoming a Chartered Accountant is one of dedication, perseverance, and continuous learning. Challenges may arise, but with the right mindset, structured preparation, and unwavering determination, success is within your reach.

As the 2025 exams approach, make the Students' Journal of ICAI your go-to resource for staying updated and strengthening your understanding of key concepts. Mock tests and past papers are invaluable tools—practice diligently, analyze your performance, and refine your strategy for the best results.

Beyond exams, your articleship training is your gateway to real-world experience. Embrace it with curiosity and commitment, as it will help shape you into a well-rounded professional. The blend of theoretical knowledge and practical application is what makes a CA stand apart.

Empowering CA Students with New Initiatives

In the recent meeting of the board, we have taken various transformative initiatives to provide excellent infrastructure and global opportunities to CA students. Furthermore, we have also decided to provide various platforms to encourage students to think unconventionally as a reflection of the changing landscape of the accounting profession.

Key Developments & Upcoming Initiatives

- **Global Infrastructure Expansion** – We are planning to open new labs outside India, providing world-class facilities and expanding global learning opportunities for students.
- **Smart Classroom Initiative** – Monthly interactions with the Chairman of the Board of Studies -Operation to introduce interactive and technology-driven learning methodologies.
- **RUN @100 Initiative** –Reskill – Upskill – Newskill | 100 Days – 100 Sessions A structured program every Tuesday & Friday (4 PM – 5 PM), focusing on mental agility, technology initiative, and skill development for CA students
- **SAP Integration in the Curriculum** – Preparing students for the digital era by incorporating cutting-edge enterprise solutions into the learning framework.
- **Institutional Overseas Tours** – Providing students with first-hand exposure to global accounting and financial practices.

- **Practical Exposure through Simulation Modules** – Strengthening the New Scheme of Education & Training to ensure students gain real-world problem-solving skills alongside theoretical knowledge.
- **Strengthening Global Mobility** – Planning to expand International collaborations, allowing Indian CAs to access wider career opportunities across the world.

These initiatives are designed to shape competent, confident, and future-ready professionals. However, success is not just about opportunities—it's about how you seize them. Stay committed to continuous learning, engage actively in these programs, and push your limits to become a leader in the profession.

International CA Students' Conference

I am pleased to announce that the International Conference for CA Students will be held in **Jaipur in December 2025**. I strongly encourage all students to actively participate—whether as a paper presenter, volunteer, or attendee. These conferences provide an excellent platform to engage with industry leaders, gain insights from eminent speakers, and network with peers across the nation.

Success comes to those who stay committed to their goals. Keep learning, embrace challenges, and turn them into opportunities for growth.

Wishing you a productive and successful month ahead—may hard work, perseverance, and blessings guide your journey.
