

Dear CA Students,

This year marks a significant achievement as the results of all three ICAI examinations Foundation, Intermediate, and Final were successfully released simultaneously on the same day.

Heartiest congratulations to all those who have successfully cleared the examinations! Your dedication, perseverance, and commitment have brought you one step closer to your professional dream. We are immensely proud of your achievement and wish you continued success in your journey ahead.

To those who could not make it this time remember, success is not defined by a single attempt, but by the strength to rise after every fall. Every setback is a setup for a stronger comeback. Do not be disheartened. Take this moment to reflect, re-energize, and restart with renewed determination.

Keep believing in yourself. The journey continues and so does your potential.

As the saying goes:

“हार मत मानो, अभी बहुत कुछ बाकी है,
जिन्दगी में एक और कोशिश बाकी है।
जो हो सके तो नया इतिहास रच दो,
क्योंकि अभी तो पूरा आसमान बाकी है।”

Keep striving, keep believing, and always remember — the Institute stands with you in your journey.

National Talent Search 2025 - Where Talent Meets Triumph – The Stage is Yours!

The prestigious National Talent Hunt (NTH) Finale, held at the Rajasthan International Centre, Jaipur, was a resounding success, celebrating the intellect, creativity, and vibrant spirit of the brightest CA student talents. The event featured a dynamic lineup of competitions including Pitch Deck, Debate, Quiz, Elocution, and Essay that witnessed enthusiastic participation from students across the region. Building on this momentum, we are excited to announce that a new series of events under the CA Students' National Talent Search banner will be launched soon, including Chess, Sketching, Drama, and many more creative and competitive activities. Stay tuned and get ready to showcase your talent!

Chairman Speaks: In Conversation with Students and Faculty

The 6th Interactive Session with students was held on 9th July 2025, followed by a session with faculty members on 10th July 2025. The student session focused on addressing key concerns and providing a platform for open dialogue. These monthly sessions are organized for all students undergoing IT, OC, MCS and Advanced IT training to ensure continuous engagement and support.

The faculty session aimed to strengthen the guidance provided to students and served as a forum to discuss any academic or training-related matters raised by the faculty.

Stay Ahead with RUN@100 – Empowering Future CAs

In today's fast-evolving world, continuous learning is key to staying relevant. The RUN@100 initiative brings you power-packed webinars every Tuesday and Friday (4:00 – 5:00 PM), focusing on essential areas such as ethics, leadership, communication, and teamwork.

These sessions are thoughtfully curated to strengthen soft skills and boost professional readiness. Access them anytime on the ICAI YouTube Channel and the DLH Platform.

Observer Visits to Maintain High Standards in ICITSS & AICITSS Courses

In ICITSS and AICITSS courses, the highest standards of training and discipline are being maintained through regular observer visits initiated by the Head Office. Observers placed by the Head Office visit the branches to evaluate the courses on various crucial parameters such as academic delivery, infrastructure, food quality, sanitation, and hygiene.

This is a commendable initiative undertaken by the Institute, reflecting its strong commitment to quality education and student well-being. By ensuring consistent monitoring and feedback, the Institute is fostering a culture of accountability, excellence, and continuous improvement.

Such efforts not only help maintain uniformity across all branches but also create a more conducive and enriching learning environment for students. Ultimately, this initiative will greatly benefit students, ensuring they receive a holistic and high-quality training experience aligned with professional standards.

Your Dreams, Our Commitment Now with Greater Scholarship Support

We are delighted to share that our scholarship program has been significantly strengthened to provide enhanced support to meritorious and economically underprivileged students aspiring to become Chartered Accountants. Effective immediately, the Council has approved revisions to the Scholarship Guidelines, increasing financial aid across several key categories. The monthly scholarship for CA Intermediate rank holders (1st to 10th) has been increased from ₹2,500 to ₹5,000, while students ranked 11th to 50th, with a parental income of up to ₹5 lakh per annum, will now receive ₹4,000 per month, up from ₹2,000. For economically disadvantaged students pursuing Intermediate and Final courses, the monthly scholarship amount has been raised from ₹1,500 to ₹2,500. Additionally, a new scholarship of ₹1,500 for four months has been introduced for Foundation Course students from economically weaker backgrounds.
